## *How to Make an Advent Wreath*

**Step 1.** Make sure you have all the necessary supplies.

1 white styrofoam wreath base    4 plastic candle holders

4 blue candles                            greenery pins

Ribbon

**Step 2.** Gather greenery. Whatever greenery you have, use it!

(This can be things you found on a walk or from your yard.)

**Step 3.** Place candle holders in styrofoam base

(Traditionally they are equal distance apart on the circle.)

**Step 4.** Place the greenery on the styrofoam base using greenery pins provided.

**Step 5.** Put the candles in the candle holders

**Step 6.** Use the blue ribbons. You can tie them around the candles  
or use them to help hold your greenery down

**Step 7.** On November 29th, open your 'Prayers and Readings for your Advent Wreath'  
booklet and light your first advent candle.
