Core Vocation: Feeding San Antonio with the Bread of Life

*Feeding the hungry with real food
Feeding those who are hungry for knowledge and meaning
Feeding those who are hungry for beauty and creativity*

St. Mark's Episcopal Church is a historic downtown congregation of over 1000 members. Our Core Vocation: *Feeding San Antonio with the Bread of Life*, informs our ministry on three levels. We engage in *feeding those hungry for real food* through our partnerships with area outreach agencies, youth group projects, and our annual Christmas to the Street event. We engage in *feeding those hungry for knowledge and meaning* through formation opportunities for all ages and through our corporate worship. We engage in *feeding those hungry for beauty and creativity* through our choirs, music offerings to the city, and art exhibits.

Open Position: Director of Youth Ministries

The future Director of Youth Ministries at St. Mark's will have a passion for getting to know students, building relationships, and journeying alongside young people as they explore and deepen their faith through their middle, high school, and post-high school years. You will be well supported by the clergy, vestry, and wider church.

If you are an experienced leader, looking to raise up new young people in the church, if you have a keen sense of fun, and are looking for a position where you can be grown and celebrated as a crucial part of ministry life in this Episcopal Church, then St. Mark's could be the church home for you.

Working in a team environment, the Director of Youth Ministries is responsible for:

- Organizing and carrying out all youth ministry programming and events, including planning for and personally leading weekly Youth Group gatherings and teaching weekly Sunday formation.
- Building and maintaining a consistent arc of curriculum plan for students in the sixth grade through the twelfth grade that will form our community's youth today and for generations to come.
- Effectively carrying out pastoral care of the youth and former youth of our community, calling on clergy when needed.
- Recruiting, training, and supervising volunteers to be an essential and valued part of the Youth Ministry program.
- Serving as a resource and a facilitator for parents and volunteers in meaningful ministry.
- Developing relationships with students, parents, volunteers, and colleagues through conversations, planning of the programming, and visioning within the children's ministry and throughout the ministry of the church.
- Overseeing consistent implementation and application of Safeguarding God's Children policies, a yearly program budget, timely communication of program events, and ministry collaboration.
- Maintaining his/her own personal and spiritual formation process.
- Performing other duties as assigned.

These efforts require a significant amount of collaboration with staff and members of the congregation, solid organization skills, time management, and the ability to encourage and excite others about the program's offerings. In addition, this position requires confidence in biblical and theologically sound teaching within the Episcopal tradition, group leadership, and an understanding of the developmental needs of teenagers.
