Grace and Peace to You!

of Life. This undergirds all of our ministry and reminds us that as a faith community we are called beyond ourselves to share that which we receive with others. We do this by being a transformational presence in our city - feeding those who long for something nourishing to their souls.

Music allows us to experience beauty in a special way. Especially in the past eighteen months, we have become more aware than ever of the healing role of the arts. We recognize the importance of music as

St. Mark's enjoys a great tradition of music in worship and in concert. Choirs include children and youth of all ages, adult volunteers, staff singers, and choral scholars (high school and college students who commit to spending a year of musical formation in the St. Mark's music program). Together they provide music for the many services that are offered throughout the year.

integral to our wellbeing and the power it has to lift us to a more transcendent place.

Regardless of our different beliefs, music unites us through a shared experience. We have been able for many years to provide this free of charge to our community and, thanks to the ongoing generosity of St. Cecilia Guild, this continues. I hope you will join us and invite your friends! We pray it is a blessing to you.

Greetings!

I am delighted to announce our 2021-2022 season of Music from St. Mark's, offering a variety of music for everyone ranging from Choral Evensong

and Lessons and Carols, to Baroque concerts and contemporary music. Our beautiful gothic space and Austin/Kegg pipe organ provide a wonderful setting for performers from our local community, universities, and around the globe. All are welcome and warmly invited to enjoy the musical offerings this season.

In addition to the series, St. Mark's offers the beauty of music and creativity each week during 9:00 and 11:15 am services. The St. Mark's choirs sing music that spans centuries from chant and Tudor motets to traditional

Anglican cathedral repertoire and new compositions by living composers. Please visit [Stmarks-sa.org/music/](http://Stmarks-sa.org/music/) for the current listing of service music. As we look forward to offering great music at St. Mark's, plans are underway for a choir pilgrimage abroad in the summer of 2023.

The Music Series is made possible through generous gifts from members and music supporters in San Antonio to the St. Cecilia Guild. Your support allows St. Mark's to sustain a broader artistic and spiritual outreach to the community.

A word about

**Evensong +**  
Recitals at 4:30pm | Evensong at 5:00pm

The practice of singing evening prayers is as old as the church itself. The Anglican service of Evening Prayer was a result of the joining of two of the ancient monastic offices—Vespers and Compline—into one service. Evensong is sung daily in many cathedrals and parish churches throughout the Anglican Communion—at any given moment, someone is offering up a voice of sung prayer.

Evensong + enhances the Music from St. Mark's offerings, joining the ancient tradition of sung prayer with an extended prelude of beauty and creativity. Guest artists from around the country will present brief recitals beginning at 4:30pm on selected Sundays. We invite you to join us in our hallowed space for an extra few minutes of tranquility and peace.

*All events are free and begin at 5:00pm unless otherwise noted.*

*Free parking is located in the church lot on Jefferson Street between Martin and Pecan Streets.*
