

St. Mark's Episcopal Church

315 East Pecan Street, San Antonio, TX 78205-1819

While St. Mark's staff are working from home, we are providing virtual opportunities for community and continuing basic functions that are permitted by the Stay Home, Stay Safe order from the city. Here's our plan:

- Phone calls are still being answered during business hours by Ruby Merrill. If she is occupied, you'll be able to leave messages which we check regularly.
- We are still collecting and processing mail, so you can reach us as usual in this way. Your notes of encouragement and gifts of generosity sustain us.
- We are daily checking on the property, making sure it is secure and remains in good operating condition, inside and outside. While conserving on maintenance and upkeep where we can, we are doing all things necessary to care for the sanctuary and the parish house.
- We continue to stream worship services from the church at 10.00am on Sundays. Only those essential to do so are allowed to be in the nave, and we conform to the safety guidelines.
- Staff work together, using social distancing, to bring support and educational instruction to our children and youth.
- You will find all of the gatherings and worship you can participate in with us [online](#). You do not need to have a Facebook account to experience live streaming of services (**see [online](#) for instructions**). And it's wonderful to see all of the comments as you join in. Hundreds are joining each week.
